

## How To Build a Net Positive Energy Home

### What if you could power your home *and* an electric car with solar energy?

Learn from one local homeowner about how he transformed his average Sugarhouse home with energy efficient building and solar energy to become 100% renewable energy powered!

Thursday, April 25, 2013. 5:30-7:00 pm

Episcopal Diocese of Utah Wasatch Room: 75 South 200 East, Salt Lake City, UT 84110
